ARBEITSBLATT:
THE SUPPRESSION OF THE NATIVE PEOPLE

didact media®

Assignment:
The colonial powers put the colonies and countries under pressure to increase their influence on them. Therefore the people who lived in these countries revolted against the colonial masters. The most known revolts are the so-called Boxer Rebellion in China and the rebellion of the Hereros in German West Africa. Chose one of the two conflicts, outline the way it developed and suggest another solution instead of the one the colonial powers presented!
